### ADMISSION(S)

- Malaysian Bar

### EDUCATION

LLB (Hons), IIUM

Under the tutelage of Edham Reza Shah, Iftitah gains vast knowledge and experience in advising various corporate bodies, banking and financial institutions in corporate banking and finance matters, with particular specialization in Islamic Banking documentation, conveyancing and corporate assignments.

His expertise in handling conveyancing matters ranges from land development, sale and purchase transaction for commercial, residential properties and housing development for individual and corporate clients whether local or foreign including the financial and banking aspects of the conveyancing transactions.

He also drafts and prepares sale and purchase documentation and other forms or deeds, agreements and documents relating to the conveyancing portfolio for individual and corporate clients.

His experience includes:

- Advising on banking and financing documentation for various financial institutions within and outside Malaysia.
- Advising on banking and financing documentation for GLCs including but not limited to MoF Inc and its subsidiaries, related companies, entities and affiliates.
- Advising on, drafting and vetting documentation for sale and purchase agreements and other related documentation for sale and purchase of commercial, residential properties and housing development including the loan financing aspects of the conveyancing portfolio for individual and corporate clients.
- Advising on, drafting and vetting legal documentation for end financing in relation to sale and purchase of properties (individual and corporate) among others for banks and financial institutions in Malaysia whether local or foreign based Banks;

Iftitah was called to the Malaysian Bar in 2006 after reading law at the International Islamic University of Malaysia. He subsequently joined the Firm in 2007 as an Associate before being appointed as a Senior Associate in 2012.

Iftitah was appointed Partner in the Firm in 2016 and mainly practices from the Kuala Lumpur office.
