INTRODUCTION

Since its establishment in 1985, **Abdul Rahman & Partners** rose from its humble beginnings as a sole proprietorship in the small district of Batu Pahat to a commendable outfit via branches spanning from the Southern, Central and Northern regions of Peninsular Malaysia, namely Pontian (1988), Melaka (1999), Johor Bahru (2001), Kuala Lumpur (2007) and Penang (2024). This expanded geographic presence spells out our founder's aspirations for the Firm to strive as our clients' trusted advisor and to always be within their reach.

More than three decades on, the Firm has savoured a diversified platter of legal cases and notable transactions. Abdul Rahman & Partners has continued to evolve to meet the needs of clients and the constantly changing legal market. The Firm has expanded into the fields of Banking & Finance, Corporate, Commercial & Advisory, Litigation & Dispute Resolution, and Real Estate. These departments now provide a progressive, forward-thinking service that caters to the needs of our clients and in harmony with the Firm's practice.

As Islamic Banking & Finance gradually gains status, our lawyers constantly stay informed on ongoing trends and latest innovative concepts to knowledgeably serve our clients' legal needs. Islamic banking and finance will carry on evolving to other spectrums of commercial and corporate requirements, and at Abdul Rahman & Partners our lawyers are committed to its evolvement.

To serve our clients better, our Kuala Lumpur office is now the head office for all our branches and now located at our own purpose built complex in Taman Tun Dr. Ismail, Kuala Lumpur. Our Firm offers workshop training, conducted by experienced Shariah and qualified Partners, to Bankers, Lawyers, and in-house legal advisors on ways to handle legal documentation of Islamic financial products and to provide updates on developments of laws in force.

It is with great pleasure that we present to you the Firm's corporate profile, which we believe speaks of the commitment of the Firm to exceed clients' expectations and making legal complexities business-sense.

FOUNDER'S MESSAGE

In Loving Memory of The Founder

Allahyarham Dato' Abdul Rahman Bin Abdullah (DIMP)

(1946-2017)

Abdul Rahman & Partners is what we are today largely due to the hard work and credibility built up by its founder and our late father, **Allahyarham Dato' Abdul Rahman Bin Abdullah**. Dato' Abdul Rahman built Abdul Rahman & Partners embracing his philosophies, approaches and fortune of experience in rethinking legal complexities and crafting solutions that meet the clients' commercial objectives.

Every case offers our lawyers the opportunity to probe deeper and enhance their knowledge on legal issues so as to serve our clients better in the future. With Ezam Shah joining the Firm in 1999, and Edham Reza Shah in 2008, we experienced these first hand and have since embraced them in our undertakings.

Through the years, Abdul Rahman & Partners is blessed to have the opportunity to serve a multitude of clients, from simple conveyancing cases right up to high end corporate ones. We are also blessed to have the luxury of benefiting from the experience and wisdom of our father to earn the right to provide these entities with the best possible legal solutions.

Dato' Abdul Rahman has built a legacy at Abdul Rahman & Partners. As his successors, we have been building and we intend to keep building on his legacy and take Abdul Rahman & Partners to greater heights. We wish to also convey our sincerest gratitude to existing clients - from the bottom of our hearts, we thank you for your unremitting support and we look forward to further meaningful working opportunities together.

May Allah bless our father and one of his meaningful legacies, Abdul Rahman & Partners.

Ezam Shah Dato' Abdul Rahman
Edham Reza Shah Dato' Abdul Rahman

OUR HISTORY

ISLAMIC FINANCE & TAKAFUL

We have been continuously engaged and have advised on **Islamic Finance & Takaful** transactions for more than a decade and are one of the most experienced law firms in this area.

With increasing interests from individuals and corporations, we continue to play an active role in the shaping of Islamic finance instruments and products providing a deep and broadservice. The Firm continues to build a large and commendable network of clientele wherein we now represent a range of institutions including sovereigns, corporates and banks, in which, key to the Firm's milestone are the unprecedented engagements to advise top-drawer Islamic financial institutions on structures beyond Malaysian shores. The Firm has also been invited to collaborate with regulators on issues geared towards Islamic finance solutions.

The Firm's engagements feature the development of bespoke Islamic banking products and solutions involving hybrid and complex financing structures. Some of our innovations involve working alongside renowned Shariah scholars, local and abroad, to ensure compliance with the perennial Shariah parameters. Several unique instruments combining Islamic and conventional hybrid facilities have been successfully approved by our client's respective Shariah Committees.

Our Islamic Finance & Takaful practice is headed by **Edham Reza Shah**. The recent landmark cases since Affin Bank Berhad vs Zulkifli Abdullah era has drawn the attention of major financial institutions and in the spirit of promoting greater interest and deeper understanding of Islamic finance, the Firm has invested continuous effort in clarifying the underlying issues posed in Islamic Banking cases and documentation.
